☆Recipe 29 hot milk

Kuni + Yuna have been on crossroads for a while.
but isn't it about time to resign yourself? And so, this is the first part
of the ending (for Kuni-chan)

These two had milkshakes and parfaits and barbecue.
Foods, drinks and themes that are pretty heavy on the stomach.
But isn't barbecue a little too random?
It has nothing to do with the cafe anymore
But this might be why it's perfect for these two, whore all over the place

Oh right, it probably became like this because these two are customers and
follow along.

I could work freely probably because they have no restrictions
Kuni and Yuna are pretty free-spirited characters

☆Recipe 30 ichigo milk

It seems the way of eating strawberry milk is different in every family
The faction of strawberry + milk + sugar, the faction without sugar, and the faction that also puts condensed milk in etc
We were of the milk and sugar faction. We even had a spoon that was only used for crushing strawberries available at all times
This spoon exuded cuteness in the kitsch style from the Showa era

I think that for two people dating each other to eat something they don't eat anywhere but their house is rather unusual, but erotic

In our meeting, milk was the feature
Right-hand "Milk that's an erotic word."
Editor "Yeah."
Right-hand "Isn't it?"
There might have been a conversation like this.

☆Recipe 31 ayran

Ayran is a yogurt drink with salt that is drunk in places from the Middle East to Eastern Europe.
I had it the first time at a Turkish restaurant.
When I initially drank it, I was a bit timid, but after the first sip, I gulped it down unexpectedly quickly.
For Kuni-chan, that experience might have been how he realized that he liked someone...
Because he's a cowardly brat. And Yuna is more the grown up.

Rather than Rika getting along well with Yuna,
I'd say Rika and Kuni are similar on the inside and get attracted to Yuna because of that.
Rika is a brat, too.

DID SOMETHING HAPPEN AT THE CAFE?
NO, NOTHING.
I CAN'T COME HERE IF THERE ISN'T A PROBLEM?
OH, OF COURSE YOU CAN
I didn't mean it like that
.....
YOU CAN MAKE A BIT OF TIME, RIGHT?
COME WITH ME FOR A LITTLE WALK.

IT'S GOTTEN COLD SO QUICKLY.
KAGE-TSU-SAN, AREN'T YOU COLD WITH JUST YOUR SHIRT?
NO. I WAS DRINKING ALCOHOL UNTIL JUST A WHILE AGO
A-ARE YOU DRUNK?
I DIDN'T DRINK MUCH
IT'D BE DANGEROUS TO GET DRUNK AT JUNYA'S, SO I DON'T HAVE THAT MUCH
OH~
SO YOU WERE AT JUNYA-SAN'S PLACE
Dangerous you say~

I MADE IT MYSELF. DRINK IT GRATEFULLY.
Sad Junya, give some pointers
.....
IT REALLY IS COFFEE, HUH?
Are you that surprised?
Don't make a fuss.
What?!
This is so rare.!!
Woah.
My partner is a high school kid in third year...
YEAH, IT'S GOOD.

OH, THEN JUST A BIT.
YOU WANT SOME MORE?
I can't believe I'm so obsessed...
SHHH.
that I'm even making use of the coffee I hate so much.

SQUEAK
It's pitch black.
ARE YOU OKAY
WITH COFFEE?

K-KAGETSU-SAN, YOU DON'T LIKE IT,
S-SO I THOUGHT FOR JUST A BIT, YOU WOULDN'T KISS ME
OH,
BUT I HAVE TO STUDY AT HOME AFTER THIS.
IF WE KISS, I WON'T BE ABLE TO CON-CENTRATE ANYMORE.
GEEZ,
WHAT AM I SAYING?
KAORU

ARE YOU MAKING PROGRESS WITH YOUR STUDIES?
HUH? UMM, LITTLE BY LITTLE I GUESS
I SEE
IS THERE SOMETHING AT UNIVERSITY YOU WANT TO DO OR THAT YOU'RE AIMING FOR?
UMMM
MORE OR LESS YES
NOTHING'S CONCRETE YET,
BUT SOMETHING IN MANAGEMENT OR A SERVICE-RELATED FIELD.
SO...

I CAN BE OF HELP TO YOU, KAGETSU-SAN.
THAT'S WHAT I WAS THINKING.
COME TO MY PLACE.

BLUSH
I CAN'T!
I HAVE TO STUDY TODAY!
NO...
WHEN YOU GRADUATE FROM HIGH SCHOOL AND ENTER UNIVERSITY.

HURRY UP AND BECOME MY BRIDE.

And then...
you'll be dyed the same color as me.

☆Recipe 32 black

The forbidden black coffee. Even though Kagetsu can't drink coffee, it's coffee.

My editor thought of this subtitle so I took it as is.
When he said it, I immediately thought, "That's it!"
At times like this, the course of events is decided pretty quickly.

I definitely wanted to tell the story from Kagetsu's side at the end, but it's hard to draw (write) about the feelings of a man.
Furthermore, neither the contents and character popped out to me.
In fact, the process dragged on.
What should I do?
The author herself asks and the character Kagetsu himself asks. That said, the subtitle expresses this haste very well.
And then the contents went along with it.

I myself, can't say that I am totally able to empathize with the characters, therefore this pattern was rare.

☆Recipe 33 clear

If Kagetsu's side is black, then I think Kaoru's side has to be white. That's what I thought, but that might not be it.
I couldn't think of any other white drink than milk, those with yogurt or C*lpis, and C*lpis is a product name so I wanted to avoid that. It doesn't fit her image either. It's delicious and I often drink it though.

That's when I suddenly thought, 'White isn't the opposite of black, is it[2] It's clear, isn't it[2]!'
It's like the opposite of love isn't hate, but apathy. Well, in this case, it's not about being apathetic, but being very interested. I mean, it's about love... about proposals.

By the way, Rika threw sugar in the end, not salt.
The ants are gonna gather around!

And suits don't look good on Kagetsu.
